Bicycling in my family's main mode of transportation and would like to urge you to approve the updated 2015-16 Bikeway Plan. I feel it is important to improve the quality and quantity of safe bicycling infrastructure in our county. We need to encourage people to substitute driving trips with other modes of transportation to help reduce traffic and environmental impacts. I would like your support in making bicycle infrastructure and safety improvements a priority for SLO County.

Thank you,
Garrett Otto
